

THE DONNA STOVER MEMORIAL SCHOLARSHIP AWARD

Any senior swimmer and/or diver who has been with the Penridge Aquatic Club for a minimum of seven consecutive years is eligible to apply for our annual Donna Stover Memorial Scholarship Award.

The award is in honor of Donna Stover, who was a tireless PAC volunteer for many years before her untimely passing. She was dedicated, committed and energetic.

It is those qualities that we ask anyone who wants to apply to demonstrate in an essay that runs roughly 500 words. Tell us what PAC has meant to you during your time with the club, how it has helped mold you into the person you are today, and/or some anecdotal memories you may carry forward with you in life.

The winning entry will receive \$250 and be announced during PAC's season-ending awards ceremony.

All submissions should be received no later than the Wednesday prior to the awards ceremony and placed in a sealed envelope. Please include your name and how many years you have been a member of PAC on a separate sheet of paper so when our judges read your essay, they will not know who wrote it.

Entries can be turned in to your head coach or to any Board Member. Any further questions can be directed toward any coach or board member. Thank you and good luck!
