

**PENNRIDGE AQUATIC CLUB
2008-2009 FAMILY VOLUNTEER SCHEDULE**

Like most swim clubs, we rely on parent volunteers to help host events in order to provide the best program possible for youngsters who enjoy competitive swimming. In an effort to distribute the obligation fairly throughout our membership, it was decided by our Board of Directors to create a FAMILY VOLUNTEER POLICY. The success of our club's obligations to the total swimming community and our own membership depends on the support of parent volunteers. **Please write your name(s) the open boxes for the meets/positions you are able to volunteer for. Minimum of 5 out of 7 meets.**

NOTE: There several other meets – time trials, invitationals, champs, etc. that will require your participation as well.
